Expect the Exceptional

Diocesan Tuition Assistance Program for
Families with Children Attending Catholic Schools

2017-2018 School Year

General Information

Tuition assistance is awarded each year to families with children in our Catholic schools in grades K-12. Awards are made based on financial need.

How is the determination made?

In order to ensure a fair and impartial analysis, application is made through FACTS Grant and Aid Assessment, our 3rd party provider.

Information contained in the application along with the supporting materials is used to determine financial need. The formula utilized has been especially designed for families with children attending Catholic school. This calculation is based on a moderate standard of living for the geographic area of the applicant, further ensuring a realistic result. This formula determines the ability of a family to pay for private education. FACTS includes a comprehensive review and verification process ensuring the accuracy of the data.

Award Amount – Families who apply can receive up to one-half of the school's in-parish tuition rate.

Grant & Aid Assessment

FACTS Management makes quality education affordable for families by assisting schools in awarding financial aid. We work with schools to create a custom application and collect financial data so schools can make accurate award decisions based on financial need.

To apply for financial aid, visit online.factsmgt.com/aid.

After completing the online application, you will need to upload or fax all required supporting documentation. Uploaded documents must be in PDF format and the size of each document must be less than 20 MB. If you are unable to upload, fax the required documents to 866.315.9264. Please **DO NOT** use your mobile device to photo copy required documents due to problems with legibility.

The following supporting documents are required to complete the application process:

- Copy of the most recent **IRS Federal Form 1040, 1040A or 1040-EZ U.S. Individual Income Tax Return** (the year of the tax return depends on the tax requirements of the school). If applicant and co-applicant file separately, we require both tax returns for the same tax year. We do not require State Tax Returns.

- Copies of all supporting tax documents if you have business income/loss from any of the following:
 - Business** - send Schedule C or C-EZ and Form 4562 Depreciation and Amortization

- Copies of all supporting documentation for **household Non-Taxable Income** such as: Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation, and Temporary Assistance for Needy Families (TANF). If you do not file a tax return, you are required to provide documentation of all income received.

*All documentation received is imaged upon receipt and then destroyed.

You may login to your FACTS user account to review the status of your application. **Please allow 2 weeks processing time from the date you provided the supporting documents before inquiring further about receipt and/or status of the uploaded or faxed documents.** Application deadlines are set by the institution awarding the scholarships. If you are applying after the deadline, please contact your school to ensure that your application will be accepted.

*A non-refundable application fee may be required before your application will be submitted.
