

Come on girls, let's get W.I.S.E.!

Have you heard? TCA is offering a club for our Middle School girls! W.I.S.E. focuses on science, engineering and math! Research has shown that many women do not follow their passion for the sciences. Here at TCA we want our middle school girls to feel empowered to succeed in the Sciences. Register Now. Space is limited.

Meetings will be held twice a month from 2:30 PM-3:20 PM. Please note that 8th grade girls will meet on the 2nd Thursday and 7th grade girls will meet on the 3rd Thursday of each month.

8th Grade

October 12

November 9

December 7

January 11

February 8

March 8

April 12

7th Grade

October 19

November 16

December 14

January 18

February 15

March 15

April 19

Please fill out the form and return the bottom portion to Mrs. Abraham by Monday, October 9.

Sincerely,

Mrs. Abraham and Ms. Lansing

Yes! I am interested in getting W.I.S.E.!
