FAFSA UPDATE

- On Sept. 14, 2015, President Obama announced significant changes to the *Free Application for Federal Student Aid* (FAFSA®) process that will impact millions of students. Starting with the 2017–18 application cycle, the following changes will be put in place:
- **Students will be able to submit a FAFSA® earlier.** Students will be able to file a 2017–18 FAFSA as early as Oct. 1, 2016, rather than beginning on Jan. 1, 2017. The earlier submission date will be a permanent change, enabling students to complete and submit a FAFSA as early as October 1 every year. (There is NO CHANGE to the 2016–17 schedule. The FAFSA became available January 1 as in previous years.)

FAFSA CONTINUE

- **Students will use earlier income information.** Beginning with the 2017–18 FAFSA, students will be required to report income information from an earlier tax year. For example, on the 2017–18 FAFSA, students (and parents, as appropriate) will report their 2015 income information, rather than their 2016 income information.

CHANGES TO THE FAFSA PROCESS FOR 2017–18

SUBMIT A FAFSA EARLIER: Students will be able to submit a 2017–18 FAFSA as early as Oct. 1, 2016, rather than beginning on Jan. 1, 2017. The earlier submission date will be a permanent change, enabling students to complete and submit their FAFSAs as early as October 1 every year. (There is NO CHANGE to the 2016–17 schedule. The 2016–17 FAFSA became available Jan. 1, 2016.)

USE EARLIER INCOME AND TAX INFORMATION: Beginning with the 2017–18 FAFSA, students will report income and tax information from an earlier tax year. For example, on the 2017–18 FAFSA, students (and parents, as appropriate) will report their 2015 income and tax information, rather than their 2016 income and tax information.

Here's a summary of key dates for submitting the FAFSA depending on when you plan to go to school:
