**SUMMER AUTHOR LIST FOR STUDENTS ENTERING
TRENTON CATHOLIC ACADEMY
FIRST AND SECOND GRADES**

Summer reading is designed to keep reading skills active. Children should enjoy reading daily during the summer weeks. Research has shown that the best way to improve reading skills is to READ. Listed on the back are **suggested** authors and books either for reading by the children or for reading to them. Other authors that a child enjoys may certainly be appropriate. Difficulty of reading levels varies from author to author and book to book.

The children should keep a log of book titles and authors they read during the summer, and be prepared to share their favorite.
