Take a journey to the farthest reaches of the imagination while learning about the rainforest, Hollywood, Mars, and a futuristic city! Use the design thinking process to solve real-world problems in these different environments. Experiment with Crayola® products and many art techniques like sculpting, storyboarding, collage, and mixed media. Discover design careers like graphic design, universal design, urban design, and product design.

Each child will create and take home a unique project at the end of each class.
