

**EIGHTH ANNUAL PAJAMA DAY  
to benefit  
Christine's Hope for Kids Foundation  
Friday, January 12, 2018**

January 5, 2018

Dear Parents/Guardians:

It has been eight years since an earthquake devastated the country of Haiti. Over the past eight years, our thoughts and prayers have been with all of our TCA families as they suffered losses and began the process of rebuilding their lives, their country, and their hope. Christine Gianacaci was a victim of this tragic January 12th earthquake and she was the daughter of a dear friend of Mrs. Reap. We remembered Christine's mission of "helping underprivileged children and to put a smile on the faces of those less fortunate" through a pajama dress down day seven years ago. The Student Government of TCA Lower School has made a commitment to mark this event each year and all proceeds will be donated to *Christine's Hope for Kids Foundation*. The cost of the dress down day is \$2.00 and students are asked to adhere to the following standards of dress:

- \* pajamas must be long pants
- \* no tank tops are permitted
- \* no hoodies are permitted
- \* all students must wear sneakers
- \* no clothing that is revealing
- \* no clothing with inappropriate sayings or designs

Please help us cherish Christine's legacy and generous spirit.

Sincerely,

The Community of Trenton Catholic Academy
