

Can you spare a pair or a brush?

The Jesus Club is sponsoring a winter socks and toothbrush drive to benefit the vulnerable members of our community.

During the month of February, we will be collecting new socks and toothbrushes for men, women and children. Please help us provide these items to all those in need in our area.

We are asking all students to kindly participate in this worthy cause. All donations will be given to Mount Carmel Guild of Trenton for distribution.

Thank you and God bless,

Jesus Club
